FOR KNOWLEDGE

We are proud to have a thriving student community within the ASA. Whether you are a student member or thinking about becoming one, an array of benefits exists to help you connect with and strengthen your community:

- **Student registration rates for ASA meetings** throughout the year, including the Joint Statistical Meetings, Women in Statistics and Data Science Conference, Symposium on Data Science and Statistics, and additional regional conferences
- Opportunities to connect online with peers throughout the **ASA Community** and on the **ASA student Discord channel**
- Ability to participate in **ASA chapters, sections, and interest groups**
- Monthly **opportunities for students to meet online** to discuss topics of interest
- **Career opportunities and resources** such as ASA Career Connect, GStat accreditation, certification, and meetings-based Career Service
- **News and research** through ASA journals, *Significance* and *CHANCE* magazines, *Amstat News*, and STATtr@k

ASA student membership is only \$30 a year.
